

TRAIN THE TRAINERS WORKSHOP

Harness the Power of Passenger Safety

**Free Evidence-Based Training with Injury Prevention Professionals from Stony Brook Children's Hospital*

INTENDED FOR:

- Educators
- School Administrators
- Community Program Coordinators
- Student Organization Leaders
- Youth Organization Leaders
- Librarians
- Injury Prevention Professionals
- Trauma Team Members
- Driver Safety Educators
- Local Police/Fire Department Personnel

PROGRAM OVERVIEW & HIGHLIGHTS:

- Learn how to facilitate injury prevention programming for elementary and middle school students in your community, including the Teddy Bear Clinic.
- Discover engaging and effective strategies to promote a culture of shared roadway responsibility. (Curriculum developed with input from Impact Teen Drivers and Passenger Power.)
- Gain knowledge in strategies focused on:
 - Distractions
 - Seat belts
 - Helmet safety
 - Bicycle/Pedestrian safety
 - Empowering passengers to speak up for safety

WHY THIS MATTERS:

- More than 1,000 children (ages 14 and younger) die each year in traffic crashes, of them two-thirds were unrestrained.
- Reckless and distracted driving crashes are 100% preventable.

***Let's work together to
make our roads and families safer!***

In partnership with
Impact
Teen Drivers

Thursday, March 20, 2025
8 am – 1 pm

Stony Brook Children's Hospital
Lauterbur Drive, Stony Brook

MART Auditorium and Atrium
